KYLE BRUMM

Developer / Designer

EXPERIENCE

SparkReaction

Web Strategist / Developer
February 2016 to Present

- Oversee and manage all of our web projects
- Make sure projects stay on track and client expectations are exceeded
- Make sure our clients have the best online presence possible
- Turn designs into performant, well-crafted responsive web pages

Happy Medium

Web Developer
January 2015 to January 2016

- Work side-by-side with account coordinators and designers to turn PSD designs into pixel perfect websites
- Help define the developer's workflow and build process with the use of internal tools and custom automation scripts
- Keep the development team organized by managing the team's Trello board and assigning tasks to team members
- Build custom WordPress plugins to integrate third party APIs into client website

Webspec Design

Web Developer Intern
February 2014 to January 2015

- Worked closely with project managers and designers to create custom WordPress themes
- Helped define the developer's workflow and build process
- Wrote Bash scripts to help with setting up new websites and automating repetitive tasks

Electric Pulp

Web Developer Intern
May 2013 to January 2014

- Built and edited custom WordPress themes to exceed client expectations
- Wrote PHP scripts to communicate and connect with third party APIs
- Gained a solid understanding of developing WordPress themes
