KYLE BRUMM

Web Developer / Designer

EXPERIENCE

SparkReaction

Web Strategist / Developer
February 2016 to August 2016

- Oversaw and managed all of the company web projects
- Made sure projects stayed on track and client expectations were exceeded
- Made sure clients had the best online presence possible
- Turned PSD mockups into responsive HubSpot websites

Happy Medium

Web Developer
January 2015 to January 2016

- Worked side-by-side with account coordinators and designers to turn PSD designs into pixel perfect websites
- Helped define the developer's workflow and build process with the use of internal tools and custom automation scripts
- Kept the development team organized by managing the team's Trello board and assigning tasks to team members
- Built custom WordPress plugins to integrate third party APIs

Webspec Design

Web Developer Intern
February 2014 to January 2015

- Worked closely with project managers and designers to create custom WordPress themes
- Helped define the developer's workflow and build process
- Wrote Bash scripts to help with setting up new websites and automating repetitive tasks

Electric Pulp

Web Developer Intern
May 2013 to January 2014

- Built and edited custom WordPress themes
- Wrote PHP scripts to communicate and connect with third party APIs
- Gained a solid understanding of developing WordPress themes
